## Step into the Hudson

This home will be a Spring Parade of Homes model and is currently for sale! The Hudson is a beautiful rambler style home with unbelievable quality at a great price! This home offers main level living with the primary suite and laundry all on the main along with two more bedrooms. As you enter into the foyer, you are greeted by a bedroom/den, a bathroom, and another bedroom. The kitchen, great room, and dinette come together with tons of natural light and an awesome openness feel. The kitchen includes gorgeous cabinetry, ...
