

## Step into the Aspen

Coming soon to Easton Village! Visit us at Legacy at North Star for more info. The beautiful Aspen has an open layout with a spacious great room and stunning kitchen flooded by natural light from the plethora of windows along the back wall. The kitchen offers plenty of space alongside the walk-in pantry. Step upstairs to find a spacious owners suite, two additional bedrooms, a second bathroom, the laundry room, and a loft. With plenty of space to grow in the lower level, this floor plan is just as lovely ...
