## Step into the Elliot

Come home to the beautiful walkout Elliot! Like all Creative Homes, this floor plan provides tons of glass windows and natural light, a wonderful open concept, and stunning design details. Enter into the foyer of this home to be greeted by a staircase heading downstairs and a second bedroom or front room depending on your lifestyle. As you make your way inside, you'll see the stunning kitchen, great room, and dinette come together with beautiful natural light. The owner's suite is located off the great ...
