Step into the Gibson

Our Gibson Model is a beautiful 5BD, 5BTH two-story plan with a large open main floor layout. Entering your home, you'll have a nice den. As you continue into the Great Room and Kitchen, you will notice our solid maple cabinets and Quartz counter tops. Just off the kitchen you have a large mudroom and walk in pantry. The rear of the home has large windows that allow a TON of natural light into your home. Upstairs you'll find 4 bedrooms including your Owner's Suite which also has a large ...
