Step into the Henry

Come home to the Henry! This is a lovely single-family home with great quality. Step into the foyer to be greeted by a den/bedroom and a staircase. As you make your way inside, you'll notice the tons of natural light and the open feel. The kitchen is the heart of the home with a gorgeous island and Samsung appliances. The beautiful primary suite along with three more bedrooms and the laundry room are all upstairs. This is a slab on grade home (no basement).
